

We are thrilled that you are considering displaying your business with Simply Weddings! First off, let me tell you a little bit about this expo. When we started exploring the options to advertise our wedding photography, bridal expos and wedding fares seemed the obvious choice. We soon found that the options for our surrounding area was limited to Lexington with a few exceptions. We saw the need for such an event in our community to demonstrate the local vendors to the local brides that may not know of venues, photographers, caterers, florists and other vendors in Mt. Sterling and surrounding counties. After a few years of discussions and everything falling into place recently, Simply Weddings was created.

Local vendors and local brides with one goal: to create gorgeous weddings no matter what the theme.

Simply Weddings will be held at the Ballroom at Sterling Meadows (209 N. Maysville St. Mt. Sterling, KY 40353) on February 4th, 2017 from 1:00 PM - 5:00 PM. You may begin setting up at 10:00 AM and you may not break down until after 5:00 PM when the brides have left. Each 8"x8" booth will be fitted with (one) 6' round table and (one) navy blue floor length linen. You may opt to use your own table(s) as long as your display is confined to your booth space. Please note that you will be using your own table(s) on your application. Linens may be changed on the round tables or you may provide your own for your own tables but they should be long enough to cover nearly to the floor. Electric is available but must be noted on your application when submitting it. You may rent two booths for a double booth if desired. Please note, this is an open booth setup with no pipes/drapes or backdrops. Most booths will be viewable from 360° so make sure your booths are attractive from all sides. Have fun with them!

Each vendor will be announced on Facebook with a link to their page and listed in the vendor directory that each bride will receive. Each bride will also receive a card with all vendors listed for them to have signed in order to be entered into a grand prize drawing for free wedding photography valued at \$1000 from Pieced Together Photography. If you would like to submit an item to add to the grand prize, your entry must be received by Jan. 1 in order to be listed on advertisements.

We can't wait to see everyone and see the amazing vendors that our community produces! Let us know if you have any questions!
